## Website Links

#####

Over the last 2 decades I've developed hundreds of websites for my personal, academic, business and other uses. Now they are most of them disappeared from the Internet, with a few remaining such as the following:

### Mother

=====

<https://mothermemorials.wordpress.com/>

### Mark Chen - myself

## Tech Websites

@@@@@@@

I used to be active on a number of tech sites, but now I am only occasionally updating my profile and development status on the following sites:

github.com  
<https://github.com/worldsoft998>  
<https://github.com/aitechguru>  
<https://github.com/angeliaplutus>

## Social Media

@@@@@@@ @@@@ @@@@ @@@@

Likewise I've withdrawn from almost all social media, such as those below:

## FINALLY

#####

Here below are links to website content documents, mostly in rar compressed files, a few in single chm files. Under each rar file, is the list which shows the actual website list in that category, which you can view after decompression. Please note that several important websited were missing, which were developed in the early 2000's for the IT business.
